Chicken Piccata

Beef Bourguignon

Lightly breaded chicken breast tossed with marinated artichoke hearts, capers, and diced tomato in a lemon and white wine sauce. Served over linguini pasta.

Soooo much better than beef stew... Oven braised steak in a rich brown sauce with mushrooms and carrots, seasoned with garlic, onion and thyme. Accompanied by red skinned garlic mash potatoes.

Either option includes: freshly baked whole wheat and sourdough rolls with whipped butter, mixed greens with homemade ranch and balsamic vinaigrette dressings and Peppercini's Deluxe Dessert Tray (red velvet cupcakes, dessert bars, cream puffs and cookies garnished with fresh berries and mint). Plates, napkins, silverware and serving utensils included with every order.
